GOALS

- Building a long-term community of holders to push DogeWorld as one of the main collectibles into the Bitcoin Ordinals movement
- A real value alpha group inside DogeWorld discord where holders will gain exclusive access to it
- Define our journey with the community itself. We want to have success with you!
- Establishing relationships inside digital artifact realities to maximize the network effect in the ecosystem
- Deploying the DogeWorld brand in the next future in different branches, like gaming, rewarding skill & meritocracy based ecosystem, development into metaverse and more
- Have so much fun!

You don't have to know how you are going to accomplish your goals, you just have to know that you will...
